Thursday, 28 March 2019

Dear Parents,

School Meal Service

I am pleased to inform you that from Monday 1st April 2019 the school will have new caterers providing the school meals. On the reverse of this letter there is a copy of the initial 2 week menu, this will only be for the next two weeks. After Easter there will be a new menu and further information will be sent to you.

The new caterers are keen for all children to have a cooked meal. There will be **no sandwich option** from Monday but there will be jacket potatoes and a variety of fillings.

Parents of children in Reception, Year 1 and Year 2 please let your children try the new menus before you decide to send food from home. The meals will be of a very high standard.

Governors went to several schools to look at the quality of food. **Shires** serve a number of schools in Wolverhampton.

There will be opportunity for tasting days and parent visits.

Finally please think carefully about letting your child have a meal in school, save yourself money and hassle at home.

Remember: RECEPTION, YEAR 1 AND YEAR 2 can all have a free meal! Years 3, 4, 5 and 6 you have to pay unless you qualify for Free School meals.

Meals cost £2.30 and £1.50 flexible for those that qualify.

Yours sincerely

V Bunce
Head teacher
